

TRANSLINK

The South Coast British Columbia Transportation Authority (TransLink) is the regional authority responsible for the planning, building, and operating of an integrated transportation system for the movement of goods and people in Metro Vancouver. Prior to the COVID-19 pandemic, TransLink had a combined workforce of 8,300 people and generated over \$2.0 billion in revenues in 2019, making TransLink and its operating subsidiaries one of the largest organizations in British Columbia. TransLink is one of only a small number of agencies worldwide charged with the responsibility for an integrated urban transportation network, including the development of pedestrian and cycling infrastructure.

BOARD DIRECTOR (1 POSITION)

TransLink's Board of Directors is responsible for supervising the management of TransLink's affairs and for acting in the best interests of the broader organization while upholding the highest levels of integrity and professionalism.

TransLink's independent Screening Panel is seeking one individual to contribute seasoned executive leadership, business acumen, and operational expertise to TransLink's Board of Directors. Consistent with TransLink's governing legislation, the Screening Panel is required to provide a list of qualified candidates by September 15, 2020 to the Mayors' Council for its consideration.

This year, TransLink invites applications from qualified individuals who can demonstrate:

- experience managing a large and/or complex organization that has undertaken large capital projects;
- relevant experience in property acquisition and development;
- strong board governance skills, including strategic planning and risk management;
- financial management, including accounting, finance, audit and internal controls;
- community leadership and engagement;
- transportation and goods movement experience;
- awareness and perspective of the communities (people and places) TransLink serves;
- transit use;
- accountability to elected officials or experience in public office;
- experience in public policy and/or intergovernmental relations;
- diversity, as broadly defined (gender, cultural, regional, mobility, etc.); and
- capacity and commitment to meet a demanding level of activity as a Board Director.

For more information on TransLink, please visit its website at www.translink.ca.

To express interest in this opportunity, please email your CV and cover letter to search@watsoninc.ca by noon Pacific Time on August 7, 2020. The subject line of the email must read "TransLink – Board Director Recruitment 2020".

All submissions of interest will be acknowledged, however not all individuals will receive an interview.
